citron HYGIENE | Elevating the washroom experience

# Infant Care

*Special Care for Special People*

Families on the go appreciate enhanced convenience and cleanliness provided by diaper disposal systems and baby change tables.

## Why offer infant care and diaper disposal in your washroom?

**Address Unpleasant Malodours**
Proper disposal systems for diapers are critical to addressing odours, avoiding offensive waste in regular trash cans, and potential plumbing issues from flushing.

**Reduce Cross-Infection Risks**
An exclusive disposal system for diaper waste helps reduce cross-infection risks, promotes hygiene and ensures waste is handled appropriately.

**Reliable, Hassle-Free Service**
Our expert technicians do the dirty work so you don't have to.

# Infant Care & Diaper Disposal

## Product Overview

### Touch-Free

- Our diaper unit has a foot pedal for no-touch operation, and a large opening for ease of use.

### Efficient Design

- The contemporary design and large capacity means the unit can handle high traffic and volume of waste without overflowing.
